Megan E. Gailey

Megan joined Broening Oberg Woods & Wilson in 2009 as of counsel and was elected partner in 2013. Megan's practice focuses on the defense of all types of health care practitioners including physicians, physician assistants, nurse practitioners, physical therapists, mental health providers, hospitals and long term care facilities.

Megan began her civil litigation practice primarily representing plaintiffs pursuing long term care and medical malpractice recoveries. She has specialized knowledge in health care and has represented professionals in front of the Arizona Medical Board.
